2015-2020 Chevrolet Suburban - Wiper Blade

2015-2020 Chevrolet Suburban | Easy | 15-20 minutes | $81 DIY

TOOLS

Microfiber cloth Glass cleaner Folded bath towel (arm cushion)

PARTS

Driver wiper blade, 22" Bosch 22A $32.99
Passenger wiper blade, 22" Bosch 22B $32.99
Rear wiper blade, 13" $14.99

STEPS

1. **Confirm sizes and buy the right blades - The 2015-2020 Chevrolet Suburban takes 22 inches** on both the driver and passenger sides - the same length for each, which simplifies buying. The rear blade is where the charts disagree: one catalog lists 12 inches for the 2007-2015 r...
2. **Park and prep the vehicle - Park the Suburban on level ground and switch the ignition** off. The front arms park clear of the hood on this generation, so there's no service mode to activate - just lift the arms by hand.
3. **Release the old driver-side blade - Lift the driver-side arm away from the glass until it** stands upright on its own. Find the J-hook at the top of the arm, rotate the blade 90 degrees so it sits perpendicular to the arm, and slide it downward out of the hook's opening.
4. **Prep the new driver-side blade - Unpack one of the 22-inch blades and peel off the** plastic shipping guard along the rubber edge. Both front blades are identical on the Suburban, so either package works - but still lay the new blade next to the old one to confirm the 22-...
5. **Install the new driver-side blade and check the lock - Hold the new blade perpendicular** to the arm, thread the center connector into the hook, and rotate it back parallel until it slides up into the locked notch with a click.
6. **Passenger side and rear blade - The passenger side takes the same 22-inch blade and** installs identically. For the rear blade, go to the tailgate and lift the short rear arm off the glass. The rear arm on the Suburban is a small J-hook - release the old blade the same w...
7. **Test with washer fluid - Start the Suburban, run the front washers, and let the wipers** sweep at least five cycles at low and high speed, then run the rear washer.
